## PARISH PRIEST’S REFERENCE FORM

Our enrolment policy allows students from any background to apply for a position at Thomas More College. However, there are times when, due to large numbers wishing to enrol, choices need to be made about who is offered a position. We have clear guidelines, which give priority to siblings, then to families who are involved with the Catholic Community. Hence, we give all families new to our school the opportunity to improve their priority enrolment status by completing this form.

If your family is not actively involved in a Catholic/Christian Parish, then this can be indicated at the start of the form and there is no need to fill out the form any further. If, however, you have parish links, then you are asked to contact your parish priest to help you complete the form.
