## Thank you!!

Winstars has the best members!

We would like to take this opportunity to thank all our loyal and new members for trusting us with your child's gymnastics activity. We have had an overwhelming positive response to our new facility and new preschool programming.

At this time, we have very little availability in our classes. We are even looking at opening up new class times for our Twinkle Stars (parent & tots) program.

With all of the increase COVID rules and regulations, your patience has been amazing. Thank you for being so accommodating with the staff while we navigate through the ever changing rules.

*Be Thankful  
Be Grateful  
Be Blessed*

# HAPPY THANKSGIVING

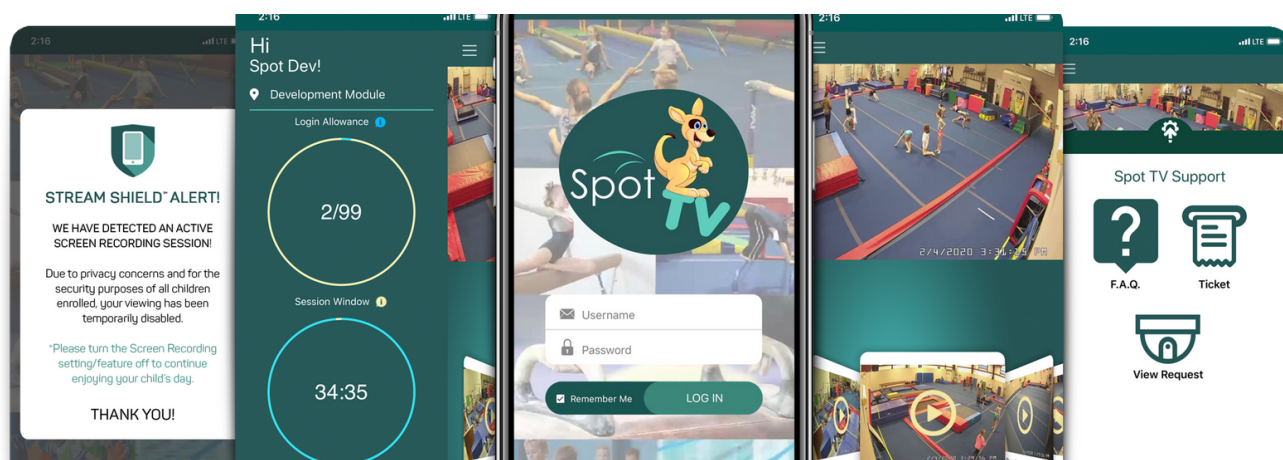

REMINDER THERE ARE STILL CLASSES ON SATURDAY AND SUNDAY OF  
THANKSGIVING WEEKEND.

# Introducing Coach Mikaela

Coach Mikaela, daughter of owner Carey, grew up here at Winstars. She has had lots of experience working as a coach and gaining valuable knowledge through her Developmental Psychology and Teaching degree from the University of Windsor.

Coach Mikaela is currently an occasional teacher with the GECDsb. In addition, Mikaela coaches directly in the Winstars competitive program, co-creates all of our preschool lesson plans and works some administration in our main office.

Coach Mikaela has so much to offer our young coaches and gymnasts. We look forward to her continued work here at Winstars!!

## Spot TV Viewing App

We thank you for your patience while we were setting up our Spot TV app for viewing the classes from your mobile device. It's now working great!

If you have not taken advantage of this **FREE** service, just go to your app store and download Spot TV Family. Fill out the information, pick Winstars as at the activity centre and our office will approve your account within 48 hours.

Due to the COVID restrictions, this is a great alternative in viewing your child's gymnastics class.

## Winstars Merch

For those new members, Winstars carries merchandise in our main office. We have a variety of items, such as bodysuits, hoodies, T-shirts, and backpacks.

Pick up something for your child's birthday or better yet, Christmas. We even carry adult size clothing.

Stop in and have a look at what we have in stock. More stock coming soon!
