SCIENCE WEEK

Science Week 2018 is fast approaching! The theme for 2018 is 'Game Changers and Change Makers' and will focus on the scientists, engineers, technologists, mathematicians, designers and innovators of the past and present who have made, and are making, great improvements to the way we live.

We will be hosting an exciting **STEM Exhibition in Week 7** of this term, which will **incorporate inquiry learning in Science, Technology, Engineering and Mathematics.**

As part of our STEM Exhibition we will be running a **KIDventor competition** where students have been set the challenge to create or invent something that could be a Game Changer or Change Maker in their lives or the lives of others. Inventions can be either drawn by hand or digitally, or made from household materials. Information about this competition was sent home this week so please see the leaflet for further details.

We are also running a school initiative to create an igloo using 2L milk bottles and this is where we need some help! We will require lots of **WASHED** and **DRIED** 2L milk bottles with the **LIDS ON** and **LABELS PEELED OFF**. Please send milk bottles to your child's classroom and they will be collected every Friday. If you are interested in helping to create this Igloo then please talk to Mrs Morrisson or Miss Sonneman.

Thomas More College

is proud to present 'Mary Poppins'. 2 nights only at the Shedley Theatre, Elizabeth.

Please head to the college website tmc.catholic.edu.au and click on the big blue banner to purchase tickets through Trybooking.

HEART KIDS SPONSORSHIP

Giuseppe from 2CM is taking part in a sponsored event for Heart Kids called Two Feet & a Heartbeat. It is a 4km walk to honour the four lives lost to congenital heart disease every week in Australia.

For those of you who know Giuseppe he has gone through many surgeries to treat a multitude of health concerns however he continues to show his resilience and positivity. Have a look at his sponsor page and consider donating if you can.

Premier's Reading Challenge

Thank you to the many parents who have been supporting and encouraging their child/children to complete the 2018 Premier's Reading Challenge. The competition finishes on September 7th, so there is still time to enter. If you require a Student Record form then please ask your child's teacher, collect a form from the Front Office staff or download it from www.premiersreadingchallenge.sa.edu.au. Children can also include any classroom 'read alouds', eg class novels, shared reading etc.

Children's University participants can claim 6 hours on their passports for 12 books or 10 hours for 20 books read. Please record the extra books on the back of the form. Happy reading! *Colleen Ferguson, Literacy Co-ordinator*

School FEES

TERM 3 SCHOOL FEES ARE NOW DUE

School Fees for each term are due by the end of Week 2 of that term. Therefore, any fees in arrears from Term 2 and prior have been charged a late fee of \$50. If you are having difficulties in making your payments on time, please arrange an appointment to meet with me to discuss. This also includes Direct Debit, Centrepay deductions, BPays and Direct Credits that will not repay this year's fees by the end of the year. If you need to check your calculation to ensure that your fees are paid in full, please contact me either in person or by email.

Can't get into the school to pay your fees? Keep forgetting to pay by the due date? An easy and hassle free way to pay your school fees is to set up a continuous direct debit. All you need do is complete a "Direct Debit Request" form indicating from which bank account the direct debit payments will be taken. Continuous payments can be made on whatever day you like, either on a weekly, fortnightly, monthly or quarterly basis. See the Front Office staff for more information.

SCHOOL CARD

If you have already applied for School Card this year and have received a letter from the School Card Department stating that you are ineligible, please come and see either Kate Uren or me to apply for a re-assessment. This needs to be done prior to our next submission date, 7 September 2018.

Also, if you have not already applied THIS YEAR, please do so immediately to avoid paying full fees. We cannot apply for this after the final submission date.

SIBLING ENROLMENTS - ENROLLING NOW FOR 2019 AND 2020

Parents of students already attending St Augustine's who also have children nearing school age still need to complete an Enrolment Form – please contact the Front Office immediately if you require a Reception place in 2019. We are currently enrolling children for Term 1 intake (turning 5 before 30th April) and Term 3 intake (turning 5 before 31st October). If your child turns 5 after 31st October, they will commence school in Term 1 of the following year.

ARE YOU HAVING DIFFICULTIES PAYING YOUR FEES?

If you would like to discuss a fee payment arrangement, please feel free to contact me on 8182 7900 or finance@saps.catholic.edu.au to arrange an appointment. All discussions will be kept confidential.
