St Augustine's Parish School in consultation with Catholic Education South Australia and the School Board would like to announce there will be no increase to 2022 school fees.

Annual School Fees 2022

This decision is based on the Mission of Catholic education that all students become thriving people, capable learners and leaders of the world God desires.

Our 2022 school fee structure is detailed below:-

Fee Summary	Annual Fee
Level 1 Income over \$60,867* per annum	\$1,990
Level 2 Income under \$60,867* per annum	\$1,190

*Based on 2021 School Card threshold. The amount of \$60,264 will be adjusted to fall into line with the 2021 threshold when released by DoE in January 2022. We shall notify our families of any changes.

***SCHOOL CARD DISCOUNTS**

The scheme is managed by the Department for Education (DoE) and is administered by the school, if eligible this provides financial assistance towards the cost of educational expenses for full time students.

All School Card families must complete an application each year with forms and eligibility criteria available in January. The school will send information to all families who have indicated that they may be eligible.

The income threshold to qualify for School Card 2021 was \$60,867 for 1 dependent child and increases based on the number of dependent children. Applications can also be submitted for financial change of circumstances, hardship or changes to employment. Please contact our Finance Team to discuss your financial situation if your circumstances have changed.

The discount will be credited once the school receives confirmation of your eligibility from DoE.

*We are a welcoming community, united in faith, and centred on learning,
who value and nurture the dignity of each individual.*

DISCOUNTS

All discounts previously available, including sibling discounts, will still apply. Extracurricular activities, excursions and camps continue to be charged separately.

FEE INVOICING AND PAYMENTS

January 2022 the school will invoice all families for the full year's school fees and statements will be sent home to all families. The school will provide families with statements each term or on request throughout the year.

All accounts for 2022 should be paid in full by 14 April 2022, end of Term 1 unless you have a school approved payment arrangement in place. The school's preference, if you are unable to pay full fees by 14 April 2021 is to arrange for a payment arrangement with a direct debit which will satisfy full fee payment by the 30 November 2022.

Commemorative polo's and jackets will be arranged for those students moving from year 5 into year 6, 2023 in October 2022. Average cost of \$120.00 per student, please budget for this cost when considering 2022 charges.

Overdue accounts cause difficulty for the school in meeting its financial obligations. Where accounts become overdue and there has been no correspondence or communication with the school, normal collection procedures will be followed.

FEE ASSISTANCE

The school prides itself on working closely with our families to ensure fees are affordable. If you are experiencing financial difficulty or your financial circumstances have changed please contact the school to discuss available options.

St Augustine's Parish School are considerate and sensitive in the assessment process and all information remains strictly confidential.

Enquiries regarding fees should be directed to Jo Bennett - Business Manager on 08 8182 7900.
