NUDE FOOD TUESDAYS

The idea of Nude Food Day is to reduce the use of SINGLE USE PLASTICS.

We are encouraging children, parents and staff to reduce the use of single use plastics in recess, lunch and snacks with the aim of reducing the amount that goes to landfill.

Food is 'nude' if it's not wrapped in plastic, foil or disposable zip lock bags or comes in single-use packaging, such as packets or plastic tubs.

ST AUGUSTINE'S COMMUNITY HUB

The Hub is for everyone! The new family space (in the school cottage) is somewhere parents and their children can come together, make friends and learn skills. The Hub is an extension of the St Augustine's diverse and welcoming community. In the Hub we will try and develop a deeper understanding of our different cultural backgrounds, our stories and experiences.

Every Wednesday from 9.15am - 11.15am an enthusiastic group of up to 12 women are improving their English and gaining confidence. A crèche is provided for babies - preschool children. The motto for the English class is 'be brave and have a go'. The participants feel safe and respected and 'love their English teacher'. Everyone is welcome to join the class - Parents, Grandmas, Aunties and neighbours. Volunteers in the English class or the crèche would also be very welcome. Please speak to Margaret (Community Hub Leader), the office or your child's teacher about ways you might like to help.

We want your ideas! How would you would like to build community at St Augustine's?

- ⇒ drinking coffee
- ⇒ growing food
- ⇒ cooking low cost nutritious meals
- ⇒ learning to sew or teaching other
- ⇒ discovering ways to reduce your electricity bill
- ⇒ parenting tips
- ⇒ mindfulness and relaxation?

Anything that build relationships, develops skills and helps lead to a more positive future.

Margaret Hayman - Community Hub Leader

NATIONAL RIDE2SCHOOL DAY 2019

FRIDAY 22 MARCH

ST AUGUSTINE'S PARISH SCHOOL

are excited to be celebrating
National Ride2School Day on Friday 22 March 2019.

In the spirit of embracing a healthy and happy start to the day, we encourage all students and their families to leave the car at home and give riding, walking, scooting or skating to school a go.

National Ride2School Day is the perfect opportunity to kick-start new healthy habits and promote the many benefits of active transport for our community.

If you can't actively travel the whole way, consider parking the car nearby and riding or walking the rest of the way.

It's going to be a wheelie good day and we hope to see you there!
