Information

The inaugural **Yumbah Aquaculture Kangaroo Island YOUTH Employment Award** will be held in 2018, celebrating the contribution that youth make to local businesses and the economy of Kangaroo Island.

The event's proponent is ATEC (Adelaide Training and Employment Centre) – a service provider to businesses and employers, employees and job seekers, with local representation.

Award Objectives

Many Kangaroo Island youth complete training whilst working, to improve their skills and capabilities. Others return to the island, to work during their holidays, taking advantage of the busy periods for tourism. Whatever the reason, they are an integral component of the workforce available to the many and varied businesses on Kangaroo Island.

These awards acknowledge their valuable input into the:

- Business they work for
