Sustainment Agency Overview

How does CASA respond to industry demand signals?
(technology/programs/engineering developments)

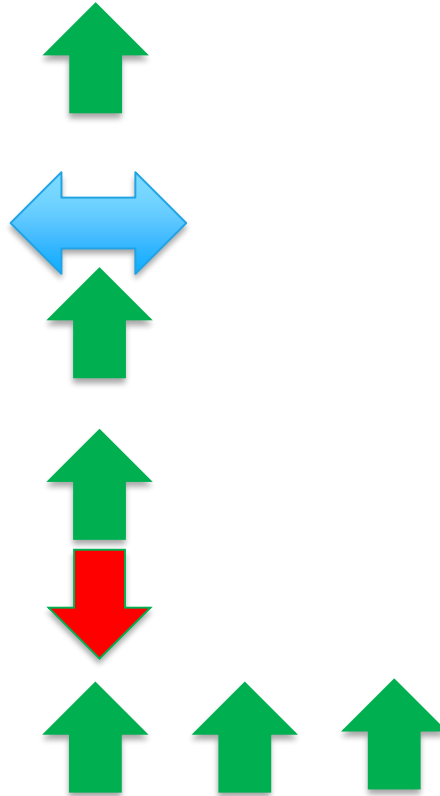

Demand Signals - Segments

- RPT hours 
- GA hours 
- LSA hours 
- RPAS hours   

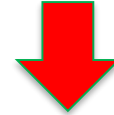

Demand Signals - Technology

- RPT
- GA:
 - Old
 - New
- Helos:
 - Big
 - Small
- RPAS

Demand Signals – Work force

- LAMEs (Mechanics):
 - Numbers
 - Experience
- Apprenticeships
- RPT Offshore Maintenance
- GA Maintenance

CASA Strategies

- RPT Focus
- Bilaterals
- Automatic Acceptance
- RPAS > GA (Aerial work)
- LSA > GA (Private)

CASA Threats/Risks

- Budgets
- Workforce
- Politics
- Internal
- Litigation

The end
