

CAT
SPECIALIST
SERVICES

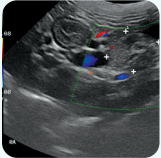

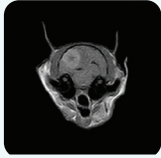

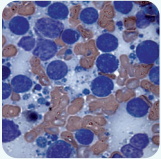

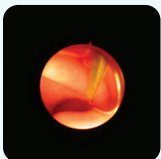

Diagnostic Services

Cat Specialist Services is a unique cat only specialist hospital.

Investigations such as diagnostic imaging are used to diagnose, measure or treat disease or injury in your cat. Your local veterinarian may recommended a specific type of test. This brochure provides information on some of the services we offer.

We love cats and we love providing them the best care.

 <p>Laboratory Testing</p> 	 <p>Contrast Tomography (CT)</p> 	 <p>Radiography (X-Ray)</p>
