

Veterinary Specialist Services offer a full oncology service that provides the very best oncologic counsel and cancer care.

Our oncology team will explain in detail, the unique aspects of each patient's particular disease. They will discuss the most appropriate diagnostic and staging, outline the various treatment options available and implement and oversee a full management plan. Our experienced surgery service may be engaged for surgical treatment options.

For more information about the Oncology Service at VSS, please follow this QR code to our dedicated webpage.

Information about our multiple payment options can be found here:

A patient's journey through our hospital
