

COURSE DESCRIPTION & PATHWAYS

This pre-apprenticeship course provides students with the basic operational knowledge and the development of skills applicable to a broad variety of trades within the building and construction industry. The course involves both theory and practical skills in building and construction, with an emphasis on carpentry.

This qualification provides a pathway to the primary trades in the construction industry with the exception of plumbing. Trade outcomes are predominantly achieved through an Australian Apprenticeship and this qualification allows for inclusion of skills suited for entry to off-site occupations, such as joinery as well as carpentry, bricklaying and other occupations in general construction.

Core - 5 Units

CPCCOM1012	Work effectively and sustainably in the Construction Industry
CPCCOM1013	Plan and organise work
CPCCOM1015	Carry out measurements and calculations
CPCCVE1011	Undertake a basic construction project
CPCCWHS2001	Apply WHS requirements, policies and procedures in the Construction Industry

Elective - 5 Units*

CPCCCA2002	Use carpentry tools and equipment
CPCCCA2011	Handle carpentry materials
CPCCCM2004	Handle construction materials
CPCCCM2012	Work safely at heights
CPCCJN3100	Process materials to produce components using static machines

* Elective units may be subject to change

VET for School Students – (VSS)

The CPC20220 Certificate II in Construction Pathways is supported by the Government of South Australia and is available for eligible VSS Students.

To be eligible for access to a subsidised training place, a school student must meet the following criteria.

They must be:

- An Australian or New Zealand citizen or,
- A permanent Australian resident or,
- An eligible visa holder
- Reside in South Australia

They must also be:

- enrolled in Year 11, 12 or 13 and be 16 years of age or turning 16 years of age in the current year of that enrolment, and
- undertaking SACE or equivalent and,
- have completed a preparatory VET pathway – please refer, VET for School Students Approved Evidence for Completion of a Relevant VET Pathway Guide, (available from your VET Coordinator).

Whilst at school the secondary school student can access a total of one Certificate II course and one Certificate III course. If a secondary school student completes 70% of a course and exits without completion, they will consume one of their course entitlements.

Acceptance into a subsidised course will be determined through the VET Readiness Orientation process (VETRO). This will occur following receipt of a completed VET for School Student Referral to Training Form from the secondary school. Please refer to <https://providers.skills.sa.gov.au/Deliver/Upfront-Assessment-of-Need>

Eligibility criteria apply – please refer to www.skills.sa.gov.au/courses-careers/eligibility-explained

Course co-contribution

Students will need to supply their own steel capped boots. Please see below for other PPE. VSS approved course co-contribution is \$260.00 for this course, invoiced to the school of enrolment.

CITB doorways2construction (D2C)

The Certificate II in Construction Pathways is an approved CITB doorways2construction Flexible Industry Program. Cardijn College, MTC Training is an endorsed D2C training provider. Students register with the CITB to access support/funding which provides a hi viz shirt and PPE pack (earmuffs, safety specs, gloves, glove clip, hard hat and backpack), 3 x free driving lessons and KESAB cleansite training.

Course Location

Cardijn College, Marcellin Campus
183 Beach Road, Christie Downs, SA 5164

Number of SACE Credits

To find out what SACE credits you can receive, refer to the VET Recognition Register www.sace.sa.edu.au.

When

The course is held one day a week, over a 12 month period excluding school holidays*.

*Attendance may be required in school holidays to replace absence and/or if catch up is required.
