A journey in faith and learning

Ashley Keane
Principal

From the Principal

Dear Parents,

With the recent lockdown events, we didn't want to overload parents with too much extra information and communication from the school. So our first school newsletter for the term comes at nearly the half way mark of Term 3.

Thank you

I would like to start my newsletter article by sincerely thanking all parents, students, staff and community members for the wonderful way in which you have handled a very difficult start to the school term. I am aware that a number of our families were in quarantine due to the COVID outbreak in South Australia and the seven day state wide lock down was sprung on us with very little notice. I would like to thank all of our teachers for their ability to respond very quickly to the lockdown and for providing the home learning experiences for children during the lock down at very short notice. I would also like to thank all of the families for their support during the lockdown and for managing the challenges associated with supervising home learning and balancing work and life commitments. I would also like to thank everyone for respecting the difficult restrictions we have had to put in place for parents with school drop offs and pick ups. Sometimes out of adversity comes opportunity and I believe that the last few weeks have shown us how resilient and capable our children really are. The children have been fantastic in the way that they have adapted to the recent restrictions. Thank you everyone!

Welcome

I would like to take this opportunity to welcome all of our new children who have started at Our Lady of Hope this term. We have started a new mid-year Reception class in Room 5 this term and I would like to welcome the 14 new students to this class Laila, Kai, Ava, Adriana, Sianna, Oliver, Aria, Karson, Audrey, Rylan, Ara, Maurice, Orlando and Luciano. Despite the disrupted start to their schooling, these children have settled in remarkably well. I would like to acknowledge the wonderful work that the Room 5 teachers, Sarah Walsh and Ashlee Lucas have done with our new Reception class.

I would also like to welcome Ethan, Isla, Maxson and Riley, who have started in Reception, Year 1, Year 3 and Year 6 respectively. I hope that you settle in well to the wonderful Our Lady of Hope school community.

STARS & RECEPTION IN 2022

This term we are running our STARS program on Wednesday and Friday mornings. Our STARS program is a transition program for all children who will be commencing Reception at our school in 2022. I would like to welcome all of our new families to this program. Lee-Anne Francese and Alison Wallace are doing a wonderful job helping these children to settle into our school community.

Our Reception classes are almost full for 2022, so if you know of any families who wish to enrol for 2022, please encourage them to make contact with the school ASAP.

Preparing for an uncertain finish to the year

The recent State lockdown and the current situation with regards to COVID in other states has taught us that we can't necessarily predict with any certainty what the next few months will have in store for us. In the event that South Australia is forced into another lockdown, we will be prepared to support children and families with home learning. Please note that communication during any lockdown will be distributed via the Seesaw App and I will endeavour to keep parents informed about school processes. If you are not able to access the Seesaw app can you please contact your child's class teacher so this can be arranged, as this will be a vital source of school – home communication.

Whilst we can not predict what will happen in the coming months, we will still continue to adopt an optimistic approach and are planning our usual school events. We will communicate with parents any changes to planned school events if required. We thank you for your ongoing support and flexibility as we negotiate these uncertain times.

Planning for 2022

As we approach the end of Term 3, we will commence our planning for the 2022 school year. In order to accurately set up class structures and set budgets for the

2022 school year, we need an accurate indication of the number of students we will have in each year level. In the near future I will be sending home a note asking families to inform me if their children will not be returning to Our Lady of Hope in 2022. Likewise if you know of anyone who is looking to enrol their children at OLOH in 2022, then please encourage them to contact me so I can factor them into our numbers for next year. I thank you in anticipation of your support of the above.

Whole school events for the remainder of this term

Friday 27th Aug.: Book Week Dress Up Day.

Kind regards,

Ashley Keane

Donations are still required:

On a biennial basis, the Greenwith Campus (Our Lady of Hope School and Greenwith Primary School) undertakes a major fundraising initiative called the **Family Fun Night**. With funds from this years' Campus fundraiser we are hoping to receive enough funds to begin construction of our Nature Play area. Current research clearly shows that Nature Play spaces are beneficial to children in many ways, including: developing capacities for creativity, symbolic play, problem solving and intellectual development.

For families new to our school the Family Fun Night is not only to raise funds for our schools but also to enhance a positive spirit between campus schools and our broader community. Due to COVID we have not finalised how the event will run, however as this is the major fundraiser for our Campus we will be running a raffle similar to 2019 and we are asking our Campus families if you own or know someone who owns a business that could support us?

Donations could include goods or services. Some examples of donations we have received include:

- Cash
- Gift baskets, bottles of wine, furniture, toy
- Certificates for services – e.g. – handyman services, plumbing services etc.

In 2019 our raffle which was hugely successful. All businesses that contribute to the raffle will receive maximum exposure before, during and after the event through our school newsletters, websites, Facebook, posters etc.

Prize pledges would be appreciated before the 14th July to enable us to prepare and sell tickets for the raffle which will be drawn in Term 4 which begins on 11th October.

If you have any questions please feel free to email our dl.1858.info@schools.sa.edu.au or come into the front office.

School Fees 2021

Fees were invoiced in full at the beginning of the year and statements were mailed to all families early in Week 2. If you have not received your statement please contact us.

Term 3 fees need to be paid by Friday 27th August 2021. If you have not paid, please do so immediately or contact me if you are having difficulty.

Just some timely reminders:

Are your payments up to date?

Please check your statement to see if your fee payments are up to date. If you have an amount in arrears and do not have a payment plan in place with us there will probably be a note on your statement. Please action as a matter of priority.

Direct Debit health check

If you have a direct debit in place please ensure that:

- It is of a sufficient amount to cover your fees in full by the end of the year – if an amendment needs to be made this can be communicated by email using the address below.
- You have sufficient funds to cover the amount on the scheduled date. If you see a number of rejections on your account, there will probably be a note – once again please contact me if you need to amend your details.

Do you think you may qualify for the Lower Income Fee (Previously School Card)?

If you think your income falls within these limits please remember to apply for School Card if you haven't already done so. School Card must be applied for each year. School Card is assessed on the previous year's income, so if you had a drop in income last year due to COVID you may qualify. Please remember that your school card application cannot be assessed if you have not lodged your previous year's tax return.

School Card applications can be made online or by completing the application form which is available on our website or from the Front Office.

If you have any questions regarding fees, please feel free to contact me.

Hope Grows News

Students in Hope Grows Garden at Lunchtime!

At lunchtime in Hope Grows garden, children had the opportunity to look for vegetables that they could harvest and eat. They tasted carrots, radishes, sweet peas, celery and peas. Some children enjoy coming to the garden to just sow seeds or just wander leisurely in the garden!

Hope Grows News

Hope Grows members cooked a stir fry with vegetables from the garden. It was delicious! What great life skills they are developing!

Last week, the students from Room 10 helped plant the remaining shrubs, with the help of Dave!

As a final touch, Dave placed a beautiful cross in the garden as a reminder of Jesus's love for us!

Student Poems from Lockdown

Stuck at Home

We were living normal life,
And it was very cool.
Then COVID bought us pain and strife,
And then there was no school.

Everything was canceled slow,
According to the news.
One whole big week of lockdown,
Was what they would choose.

Work couldn't happen,
Neither could big stores.
People used a pen
There were lots of laws!

No more toilet paper,
At the supermarket.
I will get some later,
Then lay on the carpet.

Day one of lockdown,
I am very bored.
I had a big frown,
So, I went to score.

Work came on day two,
Boredom was all gone.
I looked at the loo,
Paper was at none!

Day 4 was odd and strange,
A knock was at the door.
He didn't know the change,
THEY broke the awful LAW!

Fast forward to big, good day 8,
Lockdown was all done.
Then I bought some toilet paper,
It was very fun.

By Ollie (Room 10)

I AM AS...

Bouncy as a balloon floating
away.

Elegant as a gymnast doing a
front flip.

Nice as a hamster nibbling on a
carrot.

Jumpy as a kangaroo jumping
around town.

Amarzing as a fish leaping out of
the ocean.

Magnificent as a parrot full of
rainbow colours.

Interesting as an iguana sticking
to the wall.

New as a new-born newt
crawling around.

OLOH Playgroup

What an amazing turnout we had for our first Playgroup this term. All families had a great morning interacting and engaging in activities with their children.

To celebrate our return to Playgroup we focused on the favourite things the children like to do. Our kitchen, BBQ and tool bench are always a hit, together with the cars/trucks and dollies/strollers. Our craft activity was an imaginative space with feathers, flowers, stickers and coloured paper allowing the children to create a collective masterpiece. We are looking forward to the coming weeks and would love to welcome any new families wishing to join us.

Ali and Bernadette, Playgroup Coordinators

Parking Reminder for Kiss and Drop Zones in Car Parks

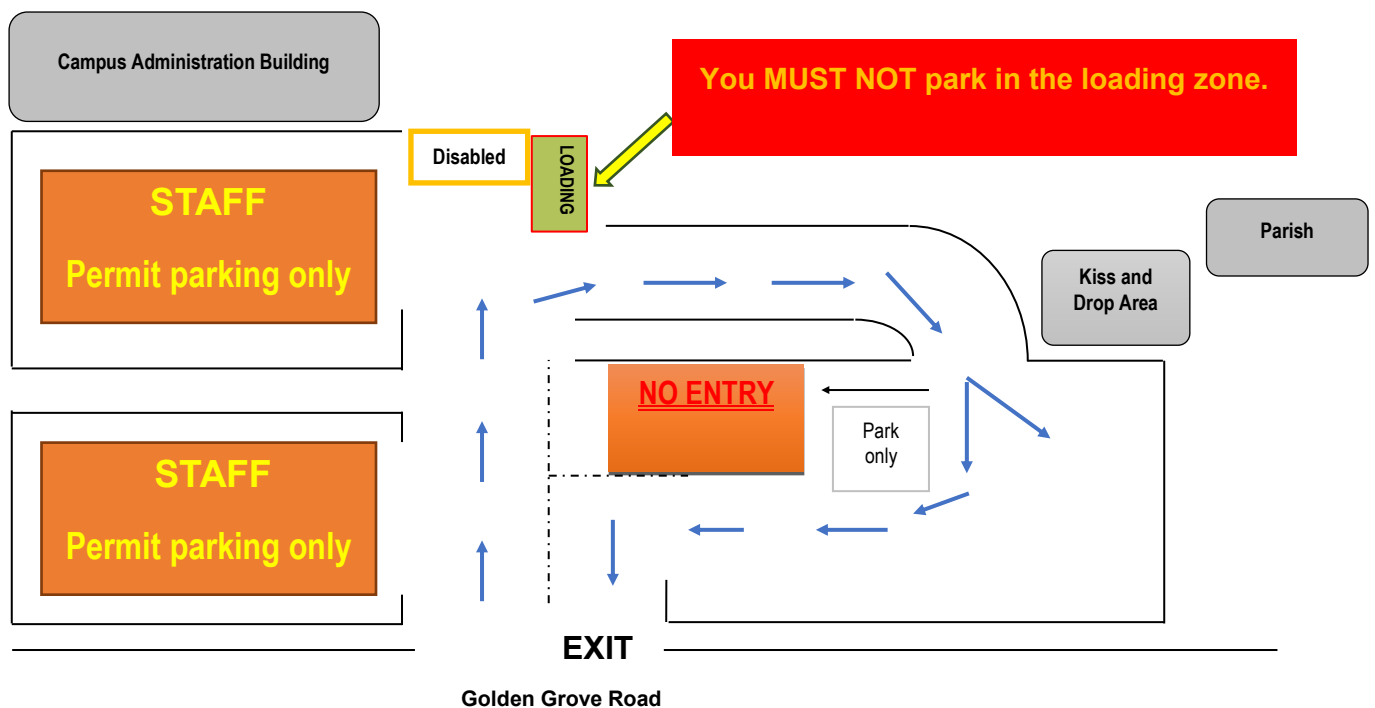

PARKING IN THE GREENWITH CAMPUS CARPARK

(AT THE FRONT OF THE SCHOOL)

We would like to remind all parents and caregivers of the **importance of following the correct procedures when driving around the Greenwith Campus area**. When construction is complete at Greenwith Primary School we ask that when using Labernum Drive Kiss and Drop you adhere to the conditions. Parking, double parking and leaving your vehicle are **NOT PERMITTED**. It is imperative that you drive within the speed limit when children are present.

To ensure the safety of children and families who use the car park and to reduce the chance of an accident, Campus Management asks that all families who use the car park in front of the Parish Centre drive in through the second entrance and out through the entrance closest to the street. Do not turn right to join the queue again but exit the car park, drive around the roundabout and back into the car park. **DO NOT QUEUE ACROSS THE ROUNDABOUT. TO HELP WITH THE FLOW OF TRAFFIC DO NOT EXIT YOUR CAR TO ASSIST CHILDREN WITH CAR SEATS OR SCHOOL BAGS.** If your child requires assistance, please park your car in the car park and walk into the school grounds as it holds up the flow of traffic not only on the school grounds but for road users on Golden Grove Road and The Golden Way (i.e. Emergency Services vehicles, buses, cars etc.) banking up around the roundabout causing traffic to come to a standstill.

Below is a diagram which shows the flow of traffic that is involved in this. If there are any questions or queries about this please feel free to approach the office staff of either school.

Parking Reminder for Kiss and Drop Zones in Car Parks

PARKING IN THE COMMUNITY CENTRE CARPARK

(AT THE REAR OF THE SCHOOL)

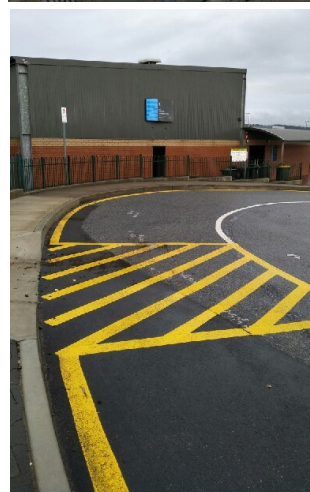

If you use the Kiss & Ride pick up zone in front of the Community Centre when collecting your child/children after school, you are reminded that if your child/children haven't arrived and aren't waiting for you when you get there, **YOU ARE NOT ALLOWED TO PARK IN THE PICKUP ZONE AND WAIT FOR THEM. DO NOT WAIT IN THE QUEUE WELL BEFORE PICK UP TIME, PLEASE PARK IN THE SPACES PROVIDED.** If your child/children are not there waiting for you when you arrive, you are required to drive around the car park and come back again making your way to the end of the Kiss & Ride pick up lane (near the playground). This procedure needs to be repeated until your child/children arrive. **UNDER NO CIRCUMSTANCES ARE YOU PERMITTED TO LEAVE YOUR VEHICLE UNATTENDED IN THIS ZONE.** Please ensure if you are not the one collecting your child/children that the person/s collecting them are aware of the correct procedure.

Stopping on a continuous yellow edge line is illegal under the Australian Road Rules, Road Traffic Act 1961 (see exert below) and incurs an expiation fee of \$164.

"169—No stopping on a road with a yellow edge line

A driver must not stop at the side of a road marked with a continuous yellow edge line.

Offence provision. "

Speed limits in South Australia

25 km/h

- between the signs at a children's crossing when the alternating lights are flashing
