- Ensure plant is operated and loaded in a safe manner following safe work method statements and manufacturer's instructions
- Ensure truck is correctly and securely loaded to weight and safety limits and driven according to road regulations
- Understanding of load restraint as per National Road Restraint Guidelines
- Uphold a high standard of professionalism, customer service and safety at all times

Experience/Qualifications:

Skills:

- Effective communication skills and the ability to work independently as well as part of a team.
- Excellent client management and customer service skills.
- Knowledge of and adherence to workplace health and safety regulations and procedures.
- Ability to handle and transport goods with care, ensure cargo security.
- Excellent driving record and ability to maintain accurate records.

Experience:

- A current MC drivers' licence and experience in this licence class
- Flat top experience
- Preferably 1-year previous experience as a truck driver operating heavy combination vehicles
- Basic fatigue management accreditation is preferable
- Must pass a Commercial Drivers' Health Assessment
- Provide a current traffic print out

Benefits:

- 1 driver - 1 truck
- New and well-maintained truck, fitted with large sleeper cab, microwave, ice pack and 2 fridges
- Friendly team with ongoing support and guidance

- Great wellbeing programs to stay fit and healthy
- Regular training and staff days
- Excellent pay rates and conditions
