Brought to you by

ADIA

Thank you for downloading the Women in Dentistry Forum webinar

Chaired by ADIA Member: *Tabitha Acret*

Following the enthusiasm for the Women in Dentistry breakfast at ADX20 Sydney, ADIA members are leading the way in understanding the changing demographics of dental customers.

The new Women in Dentistry Forum is an opportunity to discuss ways we can help you, your female customers and your female colleagues be more successful in their business. The Forum is open to all ADIA members who have an interest in the success of women in dentistry.
