

CITY LINK TULLA WIDENING (LENDLEASE)

CLIENT

Lend Lease

LOCATION

Tulla

Melbourne - VIC

SERVICE

CCTV Pipe & Conduit Inspections

Drain Cleaning

SCOPE

City Link Tulla widening involves 23km of freeway upgrades which will improve safety, reducing congestion and cutting travel times for the hundreds of thousands of people who use the busy corridor every day. The project will make travel to Melbourne Airport more reliable.

Pipe Hawk Utility Managements main task was to undertake CCTV pipe condition assessments of all new and existing drainage infrastructure.

Other industrial services have been used across the project; including full site utility locations, drain cleaning and pipe patching/repairs.

CHALLENGES

Day and Night works

Traffic Management

Community Engagement
