If your child will be away for an extended time e.g. family holiday, parents are to notify the principal (principal@scelwood.catholic.edu.au) and then contact the classroom teachers by email (teachers emails can be found under Parents on the school website). If not, it is unauthorised absence. Classroom teachers will provide work for the period of time the child is on holiday.

Early Departure if a student needs to leave school early for an appointment or other reason, a parent **MUST** sign their child out at the office.

At the start of Term 1 parents will be contacted to discuss the management plan with the classroom teacher. Asthma medication and Epipens are kept in the sick bay. You will be notified when medication is out of date.

Assemblies are held on Friday mornings at 9.00am in the hall. Parents/carers are welcome to attend assembly. On some occasions, the time for assemblies will change, you will be notified of these changes in the school newsletter. Each year level will present at one assembly per term.

DEMOCRATIC PRINCIPLES

The school supports and promotes the principles and practice of Australian democracy, including the commitment to:

- Elected Government
- The rule of law
- Equal rights for all before the law
- Freedom of religion
- Freedom of speech and association
- The values of openness and tolerance

DISCIPLINE

As a school, we follow a discipline procedure that has restoration of relationships as the focus. All classroom rules and expectations are developed at the beginning of the year as a class and children learn behaviour expectations which are reinforced during our SEL lessons. The School Student Behaviour policy can be found on the website, under 'Parents'.

FEES

Each year the School Business Manager advises the Principal and School Board on the fees for the coming year. The School Advisory Council review and ratify the decision to go ahead.

For each student, there is an annual curriculum levy that covers all books, stationary, excursions, incursions and much more.

All fees and levies can be paid monthly by Direct Debit, annually or by other arrangement. Statements will be sent out at the beginning of each term.

HOME LEARNING

It is an expectation that all students have home learning throughout the week, which is set by the classroom teacher.

Home Reading Prep – 2

Prep – Home reading and the weekly tasks will be posted on SeeSaw or in satchel

Year 1 – Home reading and weekly task will be posted on SeeSaw or in satchel

Year 2 – Home reading and weekly task will be posted on SeeSaw or in satchel

All Prep – 2 Classes:

Tasks will connect to the learning in the week and aim to be hands-on and collaborative. This may include oral language experiences, games, and inquiries into the subject areas being learned at school. Each home learning task is an offering for families. We highly encourage these tasks to be completed; however, based on co-curricular activities and family priorities, we understand that there are weeks when students are unable to complete each task. Teachers may occasionally send home targeted tasks for students based on goals and will discuss this with parents.

Year 3/4 – 20 minutes of daily reading, including 5-10 minutes of reading aloud to encourage fluency and expression. Plus 45 minutes for other tasks, assigned over the week.

Year 5/6 – 20 minutes of daily, independent reading. Plus 60 minutes for other tasks, assigned over the week.

HOUSE TEAMS

Each student is a member of one of three houses – Phillip- BLUE, Elster- YELLOW, Ormond-RED. Siblings are all placed in the same house team. Each child is allocated to a house team on commencement of starting school. An Inter-house athletic competition and tabloids sports days for the whole school are held annually.

KISS N GO/ PARKING/ DROP OFF ZONES

St Columba's is a busy place, especially in the afternoon. To help the area directly in front of the gates flow smoothly a 'Kiss n Go' system is in place. Parking **IS NOT** permitted directly outside the school between 8.30am and 9.00am & 3.30pm – 4.00pm this is a drop off/Kiss n Go zone.

If your child needs assistance getting into the playground/classroom and you need to assist them, please park your car. Good places to park include the side streets surrounding the school. Please **DO NOT** leave your vehicle unattended or double park in the 'Kiss n Go' zone. To help make this area flow, move on quickly so others can also use it for its intended purpose.

When dropping off/ picking up children from BASC please park in the surrounding streets, not in the staff carpark.

LIBRARY

Students are encouraged to use the library regularly. Each week during library they will have the opportunity to borrow suitable 'good fit' books to take home as part of our literacy program. Each student needs a library bag.

LOST AND FOUND

Lost and found is located downstairs outside BASC. Items collected from the yard or that are left lying around will be placed in the tubs. Please ensure that your child's belongings are clearly labelled so they can be returned. At the end of each term, uncollected items will be resold at the 2nd hand uniform shop or donated to charity.

LUNCH ORDERS

We offer lunch orders on Fridays only, provided by Fun Fresh Foods. Via the Spriggy app you can order online. The menu contains snacks, fruit, wraps, salads, warm dishes and sushi:

www.stcolumbasprimary.org/lunch-orders.html

MOBILE PHONES AND APPLE WATCHES/ SMART WATCHES

If your child has a mobile phone the mobile phone must be handed into the office or class teacher on arrival at school and can be collected at the end of the day. Should you need to contact your child during the day, please call the office 95316560 and a message will be passed on. The same applies to Apple watches/smart watches.

To support our new families to make the transition into the school community we have a Family Buddy Program. A Buddy Family is allocated to you to welcome you into the school community. They will introduce you to your Class Representatives, who are also representatives on our Parents and Friends Association (PFA). PASTORAL SUPPORT

St Columba's has been a recipient of funding for a Chaplaincy Program since 2007. Bern Bradley is our Chaplain, which complements her role as Student Wellbeing Leader and Child Safety Team Leader. Bern can be contacted in school hours Wed - Fri on 9531 6560 or bernb@scelwood.catholic.edu.au

SAFETY AND WELLBEING

St Columba's is committed to providing a safe and secure environment for all to thrive. The school complies with all child safety regulations and works with students to ensure that they are empowered to understand their rights and to speak up when they feel uncomfortable or afraid. From Prep they are encouraged and explicitly taught to identify and to seek out an adult who they can go to (a trusted adult/ teacher or the appointed Child Safety Leader) if they feel insecure in any way. In her role as Deputy, Student Wellbeing and Chaplain, Bern Bradley is the designated Child Safety Leader supported by members of the leadership team and Daniella Maddalena (Principal).

The wellbeing of each student is important to us. In the event that parents become aware of an issue that is affecting the health and wellbeing of their child they should contact the classroom teacher first, often through working together these issues can be resolved. Bern Bradley is our Student Wellbeing Leader and can be contacted by email bernb@scelwood.catholic.edu.au for further support with an issue.

Where there has been no change, or the issue is of an ongoing or deeply confidential nature, parents should phone the school or email to make an appointment to speak with the Principal, Daniella Maddalena. Daniella's email is principal@scelwood.catholic.edu.au

Wellbeing is an integral to our 'Little school with a big heart'. The physical and mental health of our students, our staff and our extended St Columba's family is at the heart of the school's programming and extends to the PFAs social agenda.

It is a great way to stay in touch and be engaged with your child's learning.

Classroom teachers will keep parents informed on class learning by regularly posting key information relating to the unit of inquiry, mathematical concepts being covered, and writing genre focuses. Teachers will also provide parents with relevant dates and upcoming events related to their year level.

SOCIAL MEDIA

Our school is active on Instagram and Facebook. It gives families a good idea of what we do at school. No child is named. If you wish for your child not to be included in any photos or videos, please ensure you have completed the photography + recording permission form.
