To support our new families to make the transition into the school community we have a Family Buddy Program. A Buddy Family is allocated to you to welcome you into the school community. They will introduce you to your Class Representatives, who are also representatives on our Parents and Friends Association (PFA). Your buddy family and Class Representatives are a contact point should you have questions about day to day concerns or queries. They will keep you informed of upcoming events within the school, family events, parent events and ensure you are receiving all communications.

## **ABSENCE FROM SCHOOL**

Parents should notify Paula or Julie (school office 9531 6560, email [office@scelwood.catholic.edu.au](mailto:office@scelwood.catholic.edu.au) or via the Flexibuzz app) by 8:30am on the day of absence if your child is unwell or will not be attending school.

If your child will be away for an extended time e.g. family holiday, parents are to notify the principal ([principal@scelwood.catholic.edu.au](mailto:principal@scelwood.catholic.edu.au)) and then contact the classroom teacher/s by email (*teachers emails can be found under Locations and Contacts on the school website*).

**Early Departure** if a student needs to leave school early for an appointment or other reason, a parent **MUST** sign their child out at the office.

## **ALLERGIES/ANAPHYLAXIS**

Sharing of food is not allowed to help protect children who suffer from allergies. We ask that NO NUTS or nut products be brought to school.

Children with asthma and anaphylaxis must have a current asthma management plan or anaphylaxis management plan signed by their GP each year. Asthma medication and EpiPens are kept in the sick bay. You will be notified when medication is out of date.

## **ASSEMBLIES**

Assemblies are held on Friday mornings at 9.00am in the hall. Parents/Carers are welcome to attend assembly. On some occasions, the time for assemblies will change, you will be notified of these changes in the school newsletter.

## **ASSESSMENT AND REPORTING SYSTEM**

Ongoing assessments such as observations, samples of work and student self-reflections, make-up the body of evidence teachers use to track student learning. All classrooms use the SeeSaw app. The app creates a powerful learning loop between students, families and teachers. It provides you with a window into your child's learning, enabling you to engage and support. It gives students a place to document their learning, be creative and learn how to use technology. When there are new posts for your child you will be notified via the app, email or SMS. It is a great way to stay in touch and be engaged with your child's learning.

In 2020, we will hold a parent information and meet the teacher night on **Tuesday 4 February** starting at **6:00pm**.

All curriculum leaders will contribute to a formal overview of the year, which will be emailed home at the beginning of week 2 of term 1. Classroom teachers will have their class newsletter available for parents at the parent information night and at the beginning of each subsequent term.

Throughout each term we will host open learning days. On these days, you are invited to visit classrooms, meet teachers and actively participate in the learning experiences with your child. Each of the open learning days will have a specific focus either literacy or numeracy and will provide you with tips for helping at home.

Parent teacher interviews are held in August. The interviews in August allow for the discussion of your child's progress and learning goals. Written reports will be provided prior to the August interviews and at the end of the year. These reports indicate to students and parents how the child is progressing against the Victorian Curriculum standards.
