

# Postura Plus Sled Base Stool

High performance and superior ergonomics

Australia's number one student chair the Postura is also a Stool. The Postura Plus Sled Base Stool is designed to be used at benches in libraries, science labs and the class room. Being a Postura, it is ergonomic and comfortable for sitting for long periods of time. The premium durable shell and strong fully welded steel frame will ensure that these Stools stand up to the riggers of constant use. And being a Postura Plus means that the shell is big enough for senior students and adults alike.
