ENCORE

The ultimate in theatre and
auditorium seating

Award winning products, providing the ultimate in comfort and durability for theatres and auditoriums worldwide

For over 60 years, Sebel has sweated the small stuff to ensure we have the best products that do the job and go the distance.

Our high performing spectator seating products have been the go-to choice for hundreds of stadiums, grand stands, lecture theatres and halls around the globe.

Encore Grand High Back (Pictured)

Encore

Encore seating from Sebel has been designed to set it apart from conventional theatre and auditorium seating systems.

Encompassing state-of-the-art manufacturing technology, Encore is designed for locations demanding improved seating concepts. Sensible and necessary options combined with Encore's comfort, durability, minimum maintenance and ease of installation will satisfy the highest expectations of clients, architects and designers.

Encore offers premium high performance features

- Premium upholstered seat and back with arms will keep your Encore seating looking fresh and modern
- Automatic Tilt Seating maximises comfort for long sitting periods and for all users
- Variety of installation options including straight, curved, sloped or tiered makes Encore seating perfect for all venues
- Robust injection moulded, reinforced-nylon frame ensures ultimate durability
- Protective, wrap-around seat and back moulding makes the seats much easier to clean and reduces your ongoing maintenance and costs
- Dual backrest heights make for easy categorisation
- Static seat load testing certification (AFRDI) ensures your seating lasts the test of time with even the most generous of users

Encore offers a variety of options

Backrest styles

Available in two different backrest heights to compliment any venue design requirements

Folding Tablet Arms

Generous "anti panic" tablet arms make it the ideal choice for lecture and auditorium seating.

Designed for a range of mounting options

Suits riser and pedestal mount platforms. Perfect for any application from indoor arenas, concert halls, conference centres, lecture rooms and corporate boxes.

Free standing units available

When extra seating is required removable free standing units can be positioned on flat floor areas quickly and efficiently.

Tablets for wheelchair users

Row and Seat identification

Seat numbering, row lettering and aisle lights available

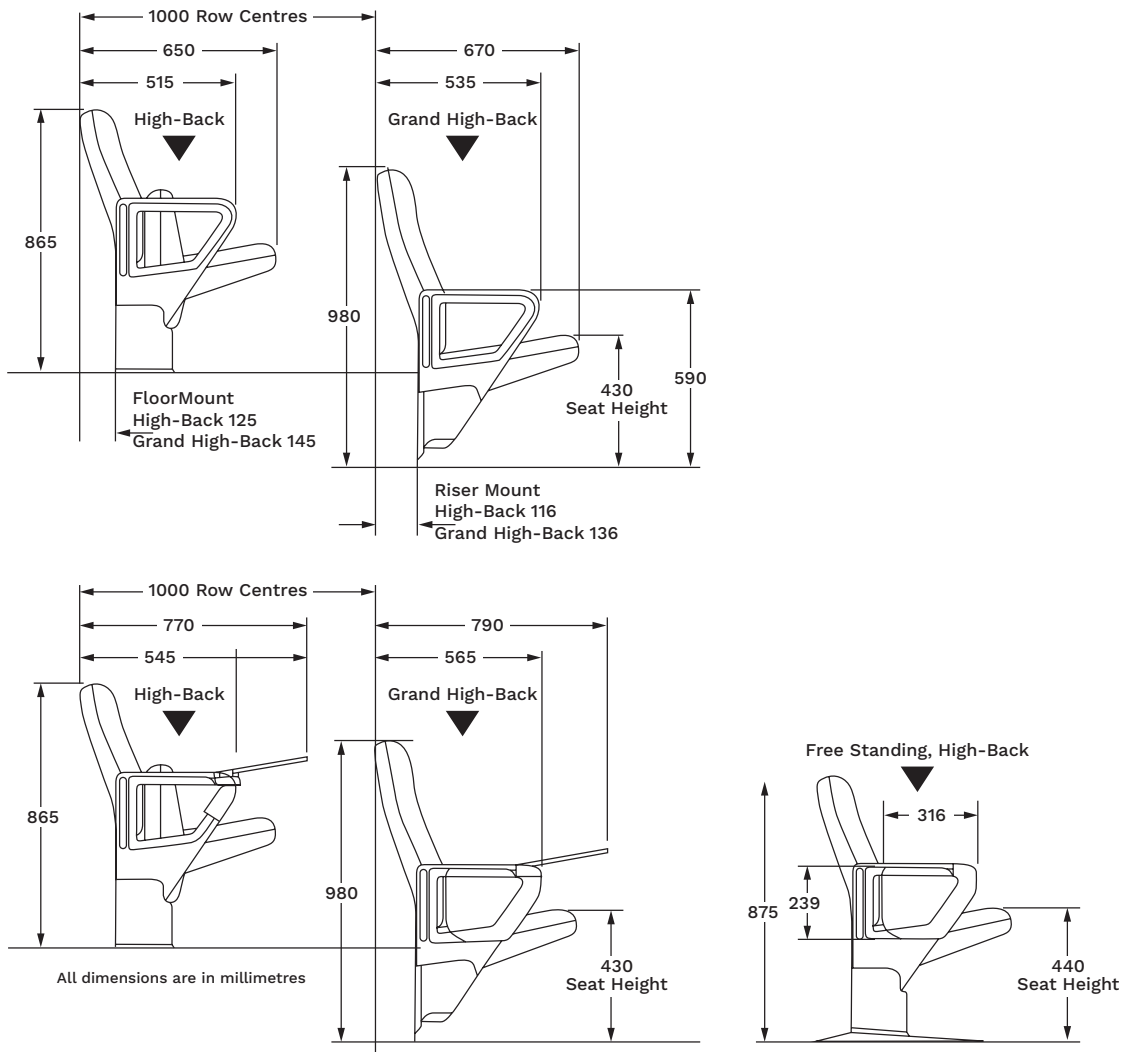

UV and/or Fire rated

Seats can be moulded with Fire resistant additives to comply with specifications

GPO and/or USB Power

General purpose outlets and/or USB ports can be incorporated into the seats

Encore provides the ultimate comfort, strength and durability.
