

Big Softies

Bloc Ottoman

Inject Colour | Inject Comfort

Refresh your tired looking hallways and corridors with the Bloc Big Softie!

The Bloc Big Softie with or without backrests are designed to sit against the Bloc Junior to create a double sided seating solution. Blocs can be used to create tiered settings or reclaim dead space in hallways, classrooms and breakout areas. The built-in power and USB port option allows students to charge their laptops and tablets.

FEATURES

- > The Bloc Big Softie works well as an individual alternative seating solution or a booth like setting.
- > The Bloc Big Softie with a backrest can be paired with the Bloc Junior for a double sided seating solution.
- > Versatile shape to create a variety of configurations suitable for your specific learning modality.
- > High density foam padding for exceptional comfort.
- > Low back for comfort and back support.
- > Durable frame.
- > Works well with the Booth Screens to create privacy booth settings.

Soft Furnishing Options	Dimensions (mm)		
	Width	Depth	Height
Bloc Ottoman	1800	600	430
with Back	1800	600	680
with High Back	1800	600	1070
Seat Height	-	-	430

OPTIONS

Available with two power sockets (240 V, 10 Amp) and two USB port sockets, as an additional extra.

Power cable length extends to 1.7m.

Available with Castors or Glides. If power option is chosen, you are limited to Glides only (for safe operation).

Available with standard and high back rest options, on the external (longer curve) and internal (shorter curve) edges.

Available in many upholstery options. For these options, please contact your Sebel representative.

We recommend contacting your Sebel representative for a sample swatch for comparison prior to ordering. For more information or samples, contact your Q Office Furniture rep or email enquiries@qof.com.au
