

Twist'n'Lock® Height Adjustable Table Rectangle & Square

Simple | Versatile

Accommodating dual student study, this classic shaped desk can be clustered with itself, the Flex 600 Square or the versatile Stingray; multiple interesting configurations can be achieved.

The innovative new design, superior to the outdated pin legs means no more broken pins. Twist'n'Lock® legs come in vibrant Postura colours and are fast and easy to adjust promotes more time to study.

FEATURES

- > Classic shape, suitable for dual student study or cluster with itself for group settings.
- > Sebel Performance Edge - Tamper resistant injection moulded polypropylene edge.
- > High performance castors allow a space to be reconfigured with ease.
- > Reinforced polypropylene legs (Twist'n'Lock®) deliver ultra-strength and durability.
- > Pin-less leg system, patented adjustment grooves allows fast, safe and easy adjustment.
- > Six adjustable heights (from 520mm to 760mm) increase classroom flexibility.

SPECIAL FEATURES

Add bright colours in a subtle fashion, and ultimately more life into your classroom, by picking between 4 vibrant colours for the Twist'n'Lock® legs: Aqua, Jaffa, Pine Lime and Grape are a perfect match to our Postura chairs and compliment the charcoal steel frame. Alternatively you can have a black leg too, blending smoothly with the charcoal steel frame.
